

PSG/AID-253/70  
3 September 1970

MEMORANDUM FOR: See Distribution

THROUGH: Chief, Production Services Group, NPIC

SUBJECT: Availability of Remote Access Computer System

1. Effective 5 October 1970, the Center's Remote Access Computer System will be available for production from 0815 to 1830, Monday through Friday of each week. No coordination with PSG/AID is required to use the System during the above hours. PSG/AID personnel and UNIVAC engineers will use the System in a dedicated mode prior to 0815 Monday through Friday for necessary systems testing and preventive maintenance.

2. Requests for extended time (after 1830 and up to 0500 Monday through Friday) can be authorized by the computer room shift supervisor within AID/Operations Branch. Requests for service Saturdays, Sundays, or holidays and between 0500 and 0815 Monday through Friday, can only be authorized by the Chief, Automated Information Division.

3. It is imperative that remote equipment be idle during dedicated system testing so that the integrity of the operating system can be assured.
